

Copper Stain Treat

Safety Data Sheet

Section 1: Chemical Product and Company Identification

Product Name: Copper Stain Treat
Catalog Codes:
CAS #: Mixture
Uses: Stain Remover

Manufacturer

Company Name: United Chemical Corporation
Address: 3741 E Telegraph Rd
Fillmore CA 93021
Telephone: (800)524-5550
Website: www.unitedchemical.com
Emergency Phone Number: (805)407-9883

Section 2: Hazards Identification

Physical Hazards:

Health Hazards:

Causes skin irritation - Category 2
Serious eye damage/irritation - Category 2A
Acute Aquatic Toxicity - Category 1

Environmental Hazards:

Acute aquatic toxicity

Label Elements:

Signal Word:

Hazard Statement:

Warning

Harmful if swallowed. Causes skin and eye irritation

Precautionary Statement (GHS-US):

Prevention:

Do not get in eyes, on skin or on clothing. Avoid breathing dust. Wear goggles, a face shield or safety glasses. Wear protective clothing and rubber gloves. Wash hands

Response:

thoroughly with plenty of soap and water after handling concentrate.

If swallowed: Call a poison control center or doctor immediately for treatment advice.

Have the person drink large quantities of water. Do not give anything by mouth to an unconscious person. If on skin: Take off contaminated clothing. Rinse skin with plenty of water for 15-20 minutes.

Contact a poison control center or consult a doctor for treatment advice. If in eyes:

Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Contact a poison control center or consult a doctor for treatment advice.

Storage:

Store in a dry, well-ventilated area out of the reach of children and away from oxidizers.

Disposal:

Keep the container closed when not in use.

Rinse the container thoroughly before discarding in recycling.

Hazard(s) not otherwise classified (HNOC):

Not Available

Section 3: Composition and Information on Ingredients

Chemical Name**CAS Number****% by weight**

Proprietary

Section 4: First Aid Measures

Eye Contact:

Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Contact a poison control center or consult a doctor for treatment advice

Skin Contact:

Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Contact a poison control center or consult a doctor for treatment advice.

Inhalation:	Move person to fresh air. If irritation or breathing difficulties develop, seek medical attention.
Ingestions:	Call a poison control center or doctor immediately for treatment advice. Have the person drink large quantities of water. Do not give anything by mouth to an unconscious person

Section 5: Fire and Explosion

Flammability of the Product:	Not Available
Flammable Limits:	Not Available
Products of Combustion:	May emit sulfur oxides, nitrogen oxides ammonia, and carbon oxides
Fire Hazards in Presence of Various Substances:	Not Available
Explosion Hazards in Presence of Various Substances:	Not Available
Fire Fighting Media and Instructions:	
Suitable extinguishing media:	Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide
Unsuitable extinguishing media:	Not Available

Section 6: Accidental Release Measures

Small Spill:	Sweep up spilled solid carefully to minimize dust generation. Place in a clean, dry, closed container for disposal.
Large Spill:	Contain the spill, wear clothing covers and sweep up the solid.
Environmental Precautions:	Product is toxic to fish. Prevent raw concentrate from entering storm drains, sewers, or natural waterways.

Section 7: Handling and Storage

Precautions:	Wear required personal protective equipment (safety glasses, rubber gloves, protective clothing). Avoid breathing dust
Storage:	Store in a dry, well ventilated area out of reach of children and away from oxidizers. Keep the container closed when not in use.

Section 8: Exposure Controls/Personal Protection

Engineering Controls:	Not Available
Personal Protection:	Not Available
Personal Protection in Case of a Large Spill:	Firefighters must wear self-contained breathing apparatus (SCBA) and full protective gear
Exposure Limits:	Not Available

Section 9: Physical and Chemical Properties

Physical state and appearance:	White/off-white solid granules or powder
Odor:	Odorless
Taste:	Not Available
Molecular Weight:	Not Available
Color:	White/off-white
pH (1% soln/water):	Strongly acidic when dissolved in water
Boiling Point:	Not Available
Melting Point	Not Available
Critical Temperature	Not Available
Specific Gravity	Not Available
Vapor Pressure:	Not Available
Vapor Density:	Not Available
Volatility:	Not Available
Odor Threshold:	Not Available
Water/Oil Dist. Coeff.:	Not Available
Ionicity (in Water):	Not Available
Dispersion Properties:	Not Available
Solubility:	Completely soluble in water

Section 10: Stability and Reactivity

Stability:	Stable under recommended dry, ambient storage conditions
Instability Temperature:	Not Available
Conditions of Instability:	Not Available
Incompatibility with Various Substances:	Oxidizing agents
Corrosivity:	Corrosive

Section 11: Toxicological Information

Routes of Entry:	Inhalation (dust), skin contact, eye contact, ingestion
Toxicity to Animals:	Toxic to fish and aquatic organisms

Chronic Effects on Humans:	Prolonged skin contact may cause dermatitis
Other Toxic Effects on Humans:	Not Available
Special Remarks on Toxicity to Animals:	Not Available
Special Remarks on Chronic Effects on Humans:	Not Available
Special Remarks on Other Toxic Effects on Humans:	Not Available

Section 12: Ecological Information

Ecotoxicity:	Toxic to fish and aquatic organisms
BOD5 and COD:	Not Available
Products of Biodegradation:	Not Available
Toxicity of the Products of Biodegradation:	Not Available
Special Remarks on the Products of Biodegradation:	Not Available

Section 13: Disposal Considerations

Waste Disposal: Do not contaminate water, food, or feed by disposal. Dispose of contents/container in accordance with local, regional, and national regulations. Rinse the container thoroughly before discarding it in recycling.
